This is a petition for police protection. Petitioner field Ext.P1 petition before the 2nd respondent. It is the case of the petitioner that her husband is abroad and petitioner lives in the paternal home along with her old mother and three young children. Due to non payment of loan by petitioner's father financiers and others are creating problems and their life itself is threatened. In these circumstances, if the financiers has got any complaint against the petitioner's father it is for them to take legal proceedings and to approach court of law but they cannot take law into their hands. The 2nd respondent should consider Ext.P2, take appropriate action and give adequate protection to the wife of petitioner, her mother and three young children. With the above observations this writ petition is disposed of.
